**This modern style villa under construction is located in Alhama Springs - Altea. The property offers breathtaking open views to the mountains and sea. The location is close to the village Altea la Vella with all its Service infrastructure like supermarkets, shops, press, restaurants and bars. The location is exclusive and quiet in a dead end street. Beautifull sunsets can be enjoyed thanks to the southwest orientation. Large infinity pool 12X4 meter. It is a practical house distributed on two levels. On the pool level with the large terrace is the living - dining area with open kitchen and one bedroom with bath en suit. On the first floor two more bedrooms - each one with its own bathroom. The spaces are well used and every little detail is taken care of. The modern design is combined with natural stone walls in interior and exterior spaces. There is basement with a garage for at least two cars. A beautifull garden will surround the villa, protected by a boundarie wall with electric gate. The villa is expected to be completed before summer 2021.
